

Ames Place

Fence Approval Application

No fence may be built on the side or rear property lines of any lot without the written approval, subscribed on this form, of at least three Agents of Ames Place.

The Agents will neither consider nor approve any fence application until this form, together with a site plan showing the fence location attached as "Exhibit A" and a drawing of the proposed fence attached as "Exhibit B", has been submitted for comment by the owners of all adjoining and alley-opposite Ames Place lots. Acceptable site plans include a boundary survey or a subdivision plat. **In addition, Ames Place expects all fence construction abide by the University City permit process.**
